To: the pastors and sessions of the Orthodox Presbyterian Church

Dear Brethren,

Greetings in the name of our blessed Lord and Savior Jesus Christ!

The Thank Offering provides the opportunity for us as God's people in the OPC to give glory to God in reflection on what he has done for his people over the past year. In thankful service to our God, the Committees on Christian Education, Home and Foreign Missions of the Orthodox Presbyterian Church continue the work which our Lord has given us to do on behalf of the whole church. It is a joy, then, to announce that \$691,302 has been received from reporting congregations for the 2010 Thank Offering. Though falling short of our "stretch" goal of \$800,000, God has been gracious to us in this past year of tough economic challenges.

This letter is to thank you and your congregations for your giving to Worldwide Outreach (WWO) in 2010. In having received receipts for \$3,188,265, the program committees of Christian Education, Home Missions and Church Extension, and Foreign Missions met 99% of their budgets. How we praise our Lord for his wonderful provision through your generous giving! We thank God for the great work that he has done in you and the great work that he is doing through you.
