November 3, 2026

Dear Pastors and Sessions,

The Subcommittee on Ministerial Training of the Committee on Christian Education is sponsoring its annual **OPC Timothy Conference** on **April 7-10, 2027**, for a select few Orthodox Presbyterian young men.

You must apply no later than January 22, 2027, if there is a young man in your congregation who you think should be challenged to consider whether our Lord is calling him to the gospel ministry, one whom your session would endorse and nominate to attend the conference. All experiences are paid by the Committee on Christian Education.

The conference information is attached and a link to the application is below are and can also be found at OPC.org. The target age group is high school and college young men, ages 16–21. The young man you nominate should himself have indicated his willingness to attend despite the adjustments he may need to make to his current academic schedule. You should include any detail that you think is important to our consideration in the selection process.

Please forward the prospectus to members of your session and young men in your church so that they can be aware of the conference. Don't forget your students away at college.

You will receive confirmation that the nomination has been received. We will notify you of our decision regarding the application no later than February 5, 2027.

The OPC Timothy Conference is hosted by the OPC and taught by experienced OPC officers for the sake of the future of the OPC. Please pray for its success, both from the pulpit and individually.

In Christ's service,

Danny E. Olinger
General Secretary of the Committee on Christian Education
